The citations listed on the enclosed PTO-1449 Form are submitted under 37 C.F.R. §§1.97 and 1.98, and in compliance with the duty of disclosure as defined in 37 C.F.R. §1.56. The Examiner is requested to make these citations officially of record in the application. The patents contained in this Information Disclosure Statement were cited in a communication from a foreign Patent Office that is examining a foreign application corresponding to this case. Inasmuch as the date of the communication was September 23, 2002, this Supplemental Information Disclosure Statement is being filed within the required three month period, as required by 37 C.F.R. §1.97(e). This Supplemental Information Disclosure Statement is also being submitted before receipt of the first Office Action on the merits for the above-identified application. In the event that the first Office Action was mailed before the mailing of this Supplemental Information Disclosure Statement, the Commissioner is hereby authorized to charge the fee set forth in 37 C.F.R. §1.17(p) to deposit account No. 13-0201 to cover this fee. This sheet is filed in duplicate.

Under 37 C.F.R. §1.56 this Supplemental Information Disclosure Statement is not to be construed as a representation that any of the listed citations establishes, by itself or in combination with other information, a *prima facie* case of unpatentability of any claim in the above-identified application. Additionally, this Supplemental Information Disclosure Statement is also not to be construed as a representation that a further search of the art has been made by the Applicant, or that additional information relevant to the examination of this application does not exist unbeknownst to the Applicant.

Respectfully submitted,
